# <BRUNO MARTIN/>

Hi, I'm a beginner FRONT-END DEVELOPER & UI DESIGNER based in Córdoba, Argentina, native Spanish and beginner(A2) English speaker.

Fascinated in learning Three.js and motion design, always ready to learn new technologies, tools and knowledge.

Projects

ZAPAZ

A shoe editor, in which you can see the model in 360° and save the result.

VIEW LIVE   VIEW REPO

MEMORY GAME

A mini-game of making pairs, where you can raise your score.
