Professional Summary

Front End Developer with 2.5+ years of experience building production-ready applications using React and TypeScript. Currently pursuing a Computer Science degree at Universidad Nacional de Córdoba, continuously strengthening my mathematical foundation alongside a specialized focus on 3D programming (Three.js, WebGPU). Proven track record in modern UI development, team collaboration, and mentorship.

Professional Experience

Inferencia | FrontEnd Developer | Sep 2022 – Apr 2025

- Developed and maintained multiple web applications from initial conception through production deployment.
- Built responsive and interactive user interfaces using modern front-end technologies.
- Collaborated with cross-functional teams to deliver business requirements.
- Mentored colleagues and supported their technical growth and development.

CORE SKILLS

React, Next.js, TypeScript, JavaScript, Three.js, HTML, CSS, Responsive Design, Figma, Git.
